Established 2025 | Nagpur, Maharashtra, India

WHO WE ARE

CyberAube Technologies is a cybersecurity consultancy bringing over a decade of real-world experience to help organizations implement, manage, and optimize their security infrastructure. Founded in 2025 by cybersecurity veterans with 10+ years of hands-on experience.

❏ We are completely platform-agnostic. No vendor partnerships, no sales quotas, no commissions. We recommend what's best for YOUR environment, not what pays us.

MULTI-PLATFORM SECURITY EXPERTISE

We support 20+ enterprise security platforms across three domains

SIEM & THREAT DETECTION

- IBM QRadar
- Splunk Enterprise Security
- ArcSight ESM
- Elastic Security
- Microsoft Sentinel
- LogRhythm
